

APPRENTICESHIP WEEK ACTIVITIES *6th-10th March 2017*

Apprenticeships offer progression routes at all levels of study and are now seen as valued routes into employment and Higher Education, providing vital on-the-job training and opportunities for career progression.

We offer Apprenticeships in a variety of sectors from dentistry and social care, to business administration and engineering.

Come and find out more at our apprenticeship fairs during Apprenticeship Week 6th-10th March 2017.
