- 2.5. We have written to every supplier with a trading balance for 2015-16 of over £10,000 (133 suppliers) requesting details of the steps they are taking to ensure that slavery and human trafficking is not taking place within their businesses and supply chains. We also requested copies of any relevant policy documents dealing with this issue. We are in the process of receiving and logging their responses to ensure their approach is consistent with ours.
- 2.6. We will work with our principal suppliers to ensure that our approach to slavery and human trafficking is reflected in all our purchases of goods and services so that neither we nor they are involved in any way, either directly or indirectly, in slavery and human trafficking.
